EXHIBITION STAND

5x5 ISLAND ZEN A

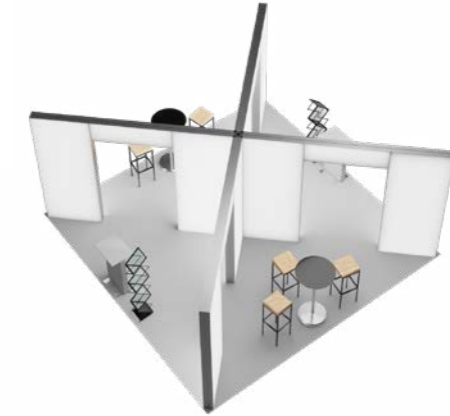

- Wall layout ISLAND
- Quick installation

The 5x5 ISLAND ZEN A exhibition stand is made of aluminium profiles for DIY assembly and carpeting with the print of your choice. This is a big and spacious stand. Contrary to the basic version, the partitions are set up diagonally, which divides the space in a natural manner and creates four separate conversation spaces. Comes with all elements required for assembly and an instruction manual.

EXHIBITION STAND

6x4 L-SHAPE

- Wall layout L-SHAPE
- Quick installation

The 6x4 L-SHAPE exhibition stand is made of aluminium profiles for DIY assembly and carpeting with the print of your choice. This is the biggest stand in our offer of ready to use solutions. 22 m2 of space split with an irregular partition to form several separate sections for conversations and plenty of graphics display space. Comes with all elements required for assembly and an instruction manual.

FURNISHINGS

3x5 ZEN

-  **Shape: TYPE "O"**
-  **Quick installation**

The textile 3x5 ZEN suspension system complements our offer for exhibitors and organisers of events, galas, and conferences. It makes for easier orientation of guests at events. The Zen system is made of high quality aluminium alloys. The systems are light, which makes them easy to suspend from load bearing structures.
