WITH ADVERTISING PRINT

STANDARD  
SUN SAILS

SUN SAILS WITH  
ADVERTISING PRINT

### Corner-fitted sun sails (triangle)

from 7,2 GBP

more info:

Sun sails with advertising print are a perfect solution combining the features of protection against sunlight, protection against light rain and advertising opportunities of your brand. Sun sails are particularly valued for their functionality with low purchase costs, stylish look, easy use, versatility, easy installation which can be performed in a manner that is non-invasive for the structure.

## Corner-fitted sun sails (square)

from 7,2 GBP

more info:

Sun sails with advertising print are a perfect solution combining the features of protection against sunlight, protection against light rain and advertising opportunities of your brand. Sun sails are particularly valued for their functionality with low purchase costs, stylish look, easy use, versatility, easy installation which can be performed in a manner that is non-invasive for the structure.

## Corner-fitted sun sails (rectangle)

from 7,2 GBP

more info:

Sun sails with advertising print are a perfect solution combining the features of protection against sunlight, protection against light rain and advertising opportunities of your brand. Sun sails are particularly valued for their functionality with low purchase costs, stylish look, easy use, versatility, easy installation which can be performed in a manner that is non-invasive for the structure.

### Roman strips from 7,9 GBP

more info:

Roman strips with an optional advertising printing are a stylish decoration and protection against sunlight and light rain. They are valued for their functionality with low purchase costs, elegant appearance, easy use, versatility, easy installation which can be performed in a manner that is non-invasive for the structure.

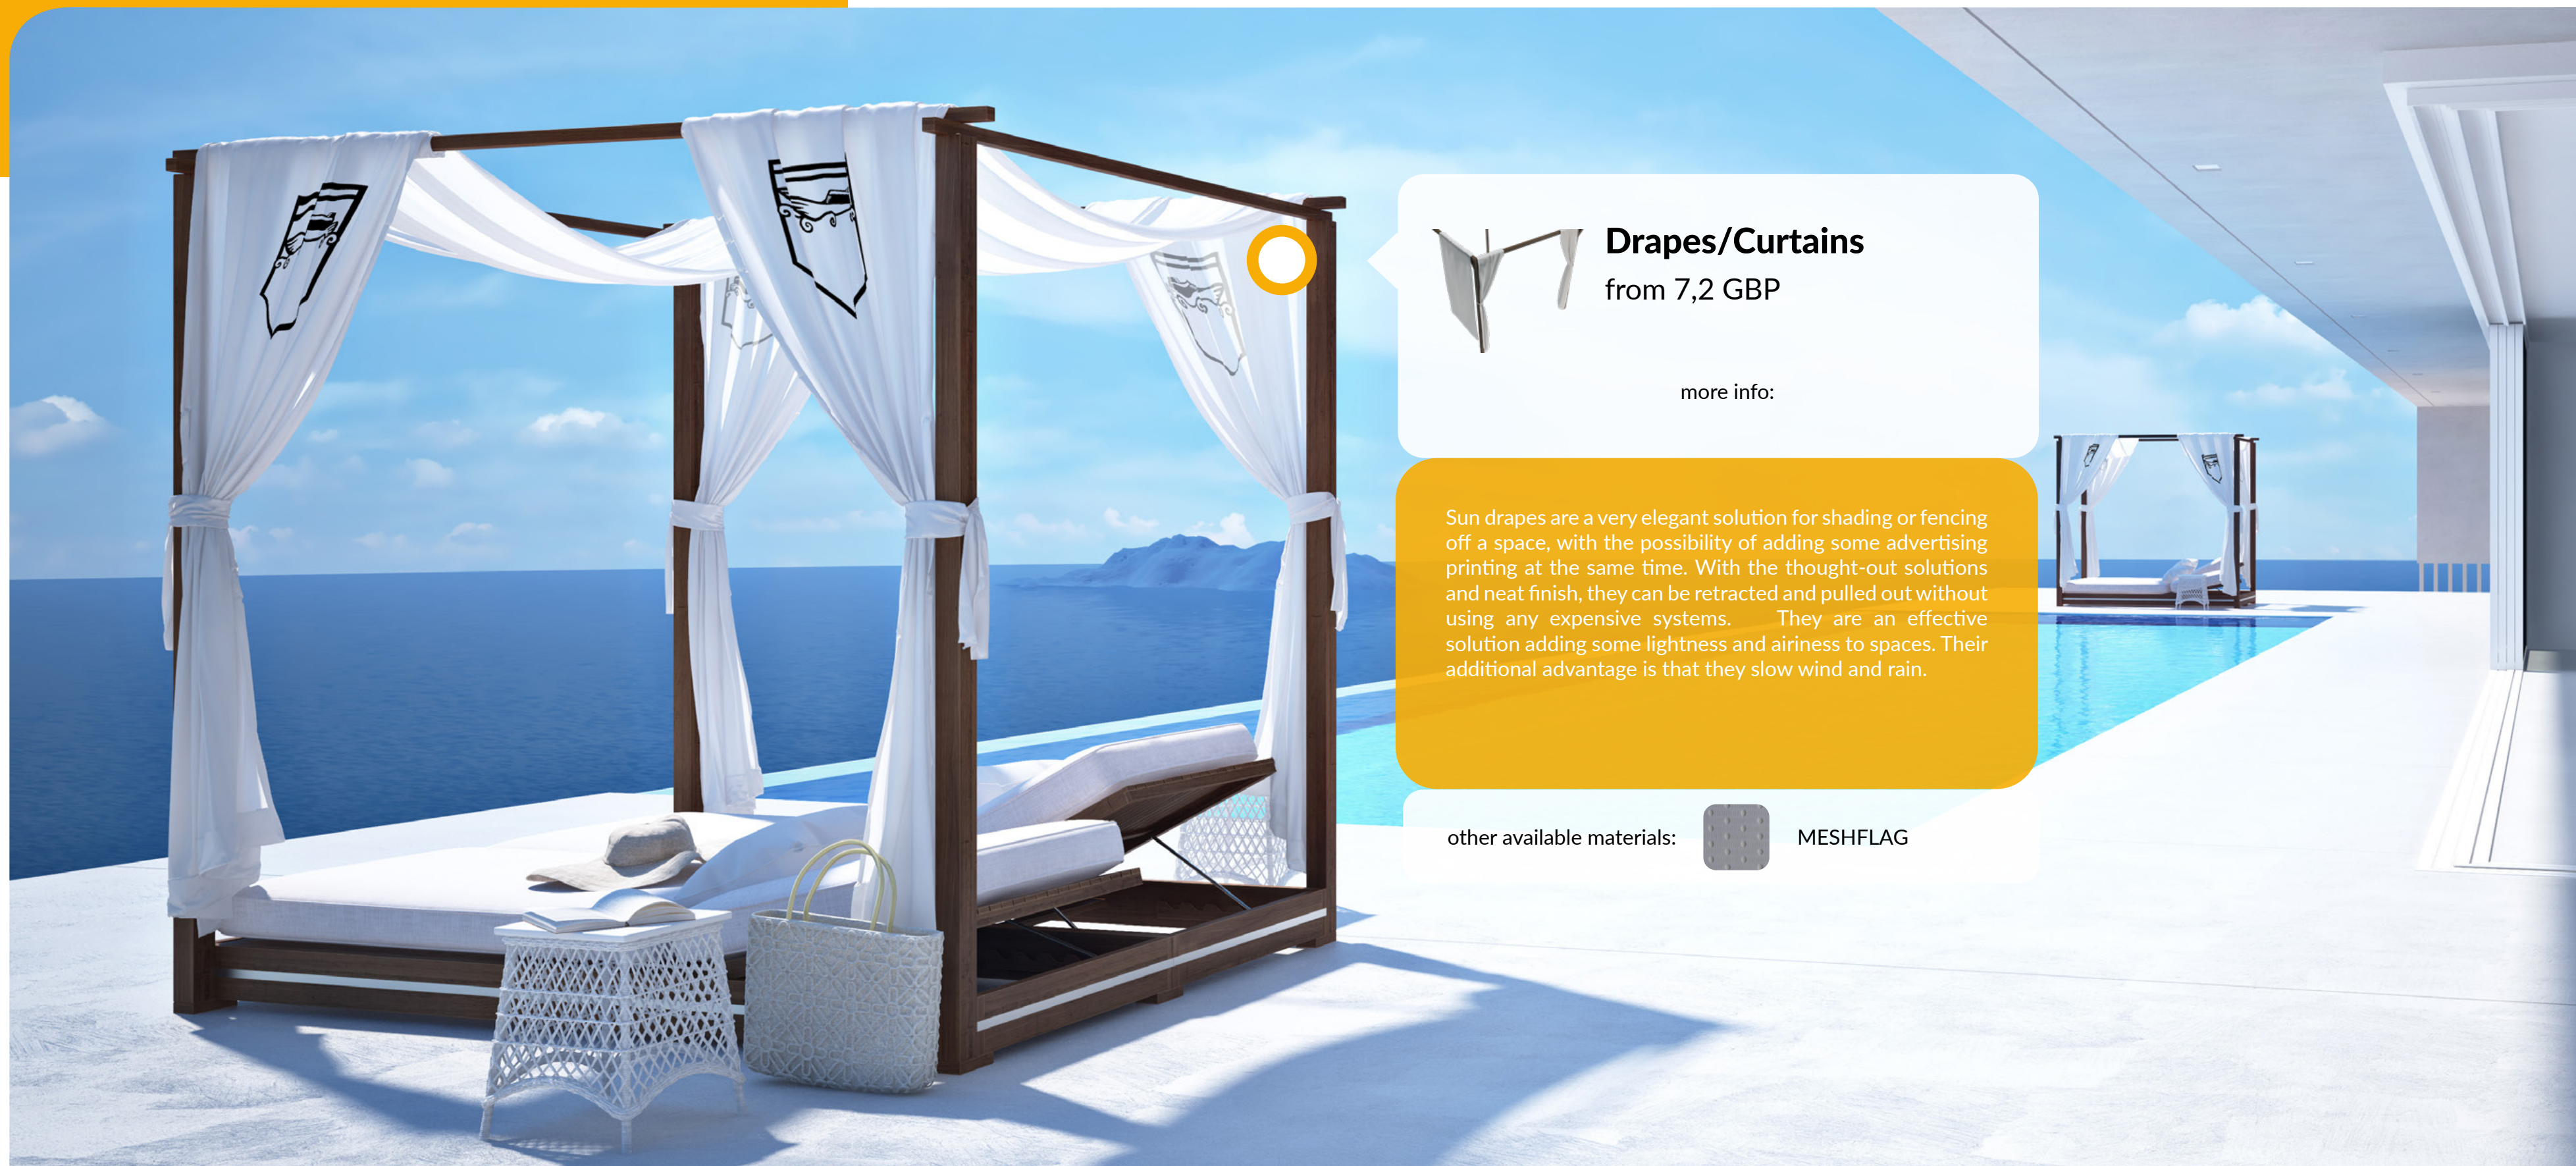

### Gazebo strips

from 7,9 GBP

more info:

Gazebo strips with an optional advertising print are an alternative to Roman strips. They are narrower so installation is carried out on the transverse beams of the structure. The strips are both a stylish decoration and protection against sunlight and light rain. They are valued for their functionality with low purchase costs, elegant appearance, easy use, versatility, easy installation which can be performed in a manner that is non-invasive for the structure.

**Drapes/Curtains**

from 7,2 GBP

more info:

Sun drapes are a very elegant solution for shading or fencing off a space, with the possibility of adding some advertising printing at the same time. With the thought-out solutions and neat finish, they can be retracted and pulled out without using any expensive systems. They are an effective solution adding some lightness and airiness to spaces. Their additional advantage is that they slow wind and rain.
